## CONTRACTED URGENT CARE FACILITIES \*

### COMMERCIAL

\* Urgent Care Centers are equipped to provide medical care for minor illnesses or injuries. Waiting time at Urgent Care Centers is usually much shorter than at Emergency Rooms.

Urgent Care coverage is limited to urgent care and services received after regular office hours, e.g. after 5:00 P.M. Monday through Friday and during Holidays/weekends. Urgent Care visits require an authorization. Using an Urgent Care Center can save you money. Urgent Care Center co-pay is \$40.00/no co-insurance. Emergency room co-pay \$100.00/ plus 25% or charges.

There are urgent care facilities in the community which are not contracted by the Plan. Only the Urgent Care Centers listed in this page are authorized for Plan Members. If you go to an urgent care center affiliated to a hospital your visit may not be covered or you may be responsible for high emergency room co-pays.

Urgent Care centers located in a hospital or in the community, such as Memorial Hospital Urgent Care Centers, the Miami Children's Hospital "Walk In" Centers located at Kendall Regional Medical Center, Aventura Hospital, and the Baptist Health Systems Urgent Care Centers located throughout the community, are examples of centers that are not affiliated with the Plan and will not be covered or will be treated as emergency room visits with very high costs to the members.

\* Los Centros de Urgencia están equipados para prestar atención en caso de lesiones y enfermedades menores. El tiempo de espera en un Centro de Urgencia es usualmente mucho menor que en una Sala de Emergencia.

La cobertura por servicios de urgencia está limitada a aquellos ocurridos fuera de las horas normales de trabajo, por ejemplo, después de las 5:00 PM de lunes a viernes y durante fines de semana o feriados. Su visita a un Centro de Urgencia requiere una autorización. Utilizar los centros contratados por el Plan puede ahorrarle mucho dinero. Cuando utiliza un Centro de Urgencia solo debe cancelar un copago de \$40.00/sin deducibles, sin embargo, cuando utiliza una Sala de Emergencia debe cancelar un copago de \$100 y 25% adicional de los cargos incurridos.

En las diferentes comunidades hay Centros de Urgencia no contratados por el Plan. Solo los centros listados en este directorio están autorizados para los miembros. Si usted acude a un centro de urgencia afiliado a un hospital, puede que el servicio no tenga cobertura o que deba usted hacerse responsable de altos copagos por utilización de Sala de Emergencia.

Otros Centros de Urgencia en la comunidad o aquellos localizados dentro de un hospital como: Centros de Urgencia del Memorial Hospital; centros "Walk In" del Miami Children's Hospital localizados en el Kendall Regional Medical Center, Aventura Hospital y la red de Centros de Urgencia del Baptist Health Systems en las diferentes comunidades, no están afiliados al Plan y no se cubren o son tratados como visitas por Sala de Emergencia lo cual implica altos costos para el miembro.
